## All-in-One Migration and Backup Plugin

The screenshot shows the WordPress Plugin Directory page for the 'All-in-One WP Migration and Backup' plugin. The page features a large, detailed illustration of a campsite at night with a lantern, a campfire, and a teapot. Below the illustration, the plugin title 'All-in-One WP Migration and Backup' is displayed, along with the developer's name 'By ServMask'. There are buttons for 'Download' and 'Live Preview'. A navigation bar includes 'Details', 'Reviews', 'Installation', and 'Development' tabs, with 'Details' selected. A 'Support' link is also visible. The 'Description' section states that the plugin is one of the most trusted and utilized for moving websites. The 'Commercial plugin' section notes that the plugin is free but offers paid upgrades or support.
